Coronet Cobra Bandsaw Scroll Guide System

Precision Engineered in Sheffield, England by Record Power

- Easily convert your bandsaw into a high-performance scroll bandsaw with the Coronet Cobra, opening a whole new area of creative possibilities.
- Ideal for all deep curved work, bandsaw boxes, intarsia and small figure work.
- Switch easily between the Cobra guide and your standard setup. Cut deep, scroll fine - all with one machine.
- Compatible with Record Power Scroll Blades (3 mm x 14, 18, or 24 TPI - made in the UK), as well as other narrow blades down to 1.2 mm wide (depending on gullet depth).
